Jeff – sorry to be slow to respond to voice mail – I’ve been on travel and sometimes have a hard time checking in to retrieve phone messages.

We can provide an update – Janice – does November 15th work for you?

Best,

Kris

Subject: TWC 2018 Annual Meeting

Hi Kris,

I am just writing to follow-up on my voice message, inviting you (or someone from your office) to give us a brief update on the EPA’s IRIS Assessment Program, at the TWC 2018 Annual Meeting – Thursday afternoon, Nov. 15th, Embassy Suites, Old Town Alexandria, VA. We have tracked the IRIS assessments for copper and arsenic for several years, and I know our members would be most interested in hearing the latest news.

Please let me know what might work for you.

Thx, Jeff Miller
